Important information.

 We are just a means of enrollment, our institution will try our best to take the student in the right direction.

 It will be a means of giving prior information about the examination, practical, result etc. at the right time by the institution and not to guarantee any kind of result and any wrong suggestion will not be accepted.

 Before taking the nomination one has to deposit 50% of Rs. One year full fee has to be deposited before enrollment, otherwise the enrollment will be cancelled.

 The fees of each year have to be paid to the college at the right time in a certain period, so deposit the college fees at the right time so that you do not have any error in the exam, If someone is taking enrollment, then enroll it thoughtfully because once the money is credited in the college, there is no refund, otherwise, enroll everything after thinking well,
